PRESENTERS

THE HEART OF THE IAIAsa CONFERENCES

BEST RATES

The IAIAsa Conference is based on the scientific conferences model encouraging experienced practitioners, young professionals, researchers and students to share and develop knowledge. Presenting at an IAIAsa Conference affords presenters the opportunity to demonstrate learning, develop others to improve practice, and gain recognition in the sector.

The success of the 2023 event has allowed a special **Presenter Rate** to be offered in 2024. The NEC hopes this will continue to encourage presenters to share their work with our delegates. A rich and interesting programme is our success.
